PANACHE DESIGNS

# Our Story

PANACHE DESIGNS is one of the world leading luxury interior design companies. Over the years, we have established an excellent reputation for creating masterpieces of architecture and interior works. We currently provide design and architecture services in the Dubai, Muscat and Mumbai.

Reflecting the grandeur of the Arabian palaces and narrating the sophistication of the modern architecture, each project we design with uniqueness. The reputation we've built and the position we've earned reflects our passion for creativity and superior edge that we stand on, likewise our capability to conceptualize the perfect luxury interior styles and exteriors that we're known for. Also offers a full range of services in the field of construction, interior design, the design of offices, restaurants, hotels, resorts and retail stores,

We have assembled a team of specialists of the highest category who will be able to turn into reality the architectural solutions of any complexity, manage the entire project professionally, from the development and agreement of technical documentation to the object commissioning.

Believing in the art of luxury, our exquisite interior design is uniquely delivered in the highest level, where affluence and comfort are built to the absolute value. Our exclusive royal residences, opulence apartments, scenic penthouses, elite villas and palace complexes reflects the level of 9 stars, which can only be accomplished with an expert interior designer. Architectural masterpiece by PANACHE DESIGNS purposefully combines our cutting edge technology with attention to detail craftsmanship. We're acknowledged for delivering the highest standard of architecture and interior design styles in the finest form of luxury, comfort and grandeur.

Thus, we're a team of highly-experienced creative consultants specialising in 3D interior design, with diverse disciplines. We are immensely proud of our accomplishments and humbled by the incredible opportunities assigned to us by our respectable clients around the world.

## Interior Design Service

PANACHE DESIGNS is a reputable, internationally recognized, and one of the most successful interior design company, which specializes in delivering interior design, architectural, and creative space planning projects throughout GCC and India. We are specialized in providing elegant and stunning interior design services for both residential and commercial projects. We turn our clients' dreams into reality, translating their tastes and needs into beautiful and functional spaces.

Since the day we were founded, we have designed and built many branded residences, resorts, hotels, multi-purpose social spaces, and palace designs with different functions and concepts by following the ever-changing design trends over the world. A key element of our work is a fusion of different cultures and designs, combining Greek, Italian, Eastern and Western influences with British innovation.

As a team of highly qualified interior designers and engineers, PANACHE DESIGNS offers complete architectural services from mall design to corporate office design as well as the exterior design of any project based on customers' needs.

Our customers include leading names, we have completed diverse projects in hospitality, landscape, commercial, and residential designs. These projects contain cafes, restaurants, gym, villas, family sitting rooms, bedrooms, kitchens; all showcasing our company's exquisite details and high-end designs.

## Architectural Design Service

As PANACHE DESIGNS, we work within a wide variety of project types by bringing our unique design methodology to every project we undertake.

We value customers who want to create a sophisticated, successful and extraordinary vision for their projects, with innovative design that distinguishes them from others and expresses their distinct qualities

Our companies create fit-out projects, decoration, furnishing, a marketing plan, building, villa, commercial, residential or healthcare, that reflects their next level mindset and design aesthetic, which this methodology works perfectly with our innovative, customer-centric design approach that arises from the inside out, starting with an in-depth understanding of the project as a complex entity.

We approach each client and project as a unique vision, with the intention of creating a building or environment unlike any existing one. With our extensive range of experience and customer focused understanding, we are excellent at bringing extraordinary buildings and spaces to life in a wide variety of project types.

## Retail & Hospitality Design Service

The extremely efficient and creative team at PANACHE DESIGNS have worked hard to bring us in the list of top commercial interior design companies in UAE, especially Dubai. We produce commercial interior designs for all kinds of projects.

From the creation of concepts to space planning leading to solutions, we take care of everything. We generate the most creative ideas and brands hence adding value to each interaction. The team at PANACHE DESIGNS have already worked in many projects and made them successful. Our experts let you choose the best among all hence making your space look the most stunning and desirable among all.

We at PANACHE DESIGNS have designers of all kinds of senses and styles. We design concepts, spaces, processes, solutions, ideas and brands. We do understand that the design is more than just aesthetics. It is a multifaceted, organic process that influences every element of business. It is about creating experiences, destinations, sensations - adding value to each interaction.

Our specialized interior designers give great styles and designs of hospitality interior and we have already finished numerous successful projects in this field. We have experts to choose for you the best designs for your projects and give it a great new and luxury look.

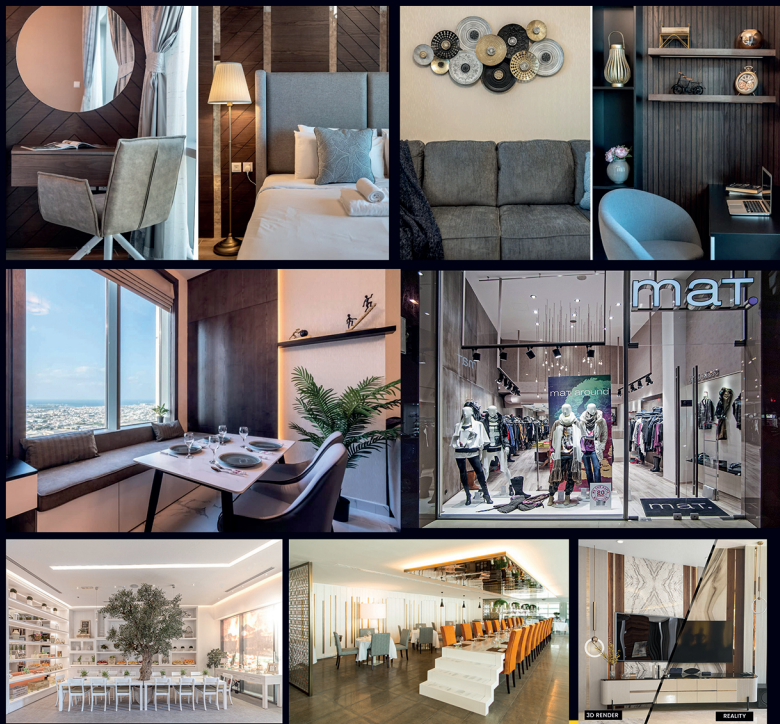

## Interior Fitout Service

As PANACHE DESIGNS is the best fit out company, which provides comprehensive services for the construction of houses «turnkey». As part of the construction or as a separate service, you can order a fit out service of a house, apartment, retail stores, restaurant or offices.

By entrusting fit out works PANACHE DESIGNS specialists, you are guaranteed to get a completely new approach to the implementation of this issue. Our guarantees are based on many years of practical experience in the implementation of thousands of projects, a professional team and responsibility for all the types of fit out work carried out, starting from the development of the project design to the completion of fit out, during its implementation.

We have assembled a team of specialists of the highest category who will be able to turn into reality the architectural solutions of any complexity, manage the entire project professionally, from the development and agreement of technical documentation to the object commissioning. The whole engineering and professional staff of the company have extensive experience, and high qualification in the field of engineering and construction and installation works, thanks to which our team provides a guarantee of quality performance of the tasks.

## Property Development

PANACHE DESIGNS was frequently chosen as the architect developer for client property development. As a "Architect and Developer," we could take on the roles of client, contractor, and property manager for your projects, reaping the benefits of each. Acting as the developer entails accepting all of the risks associated with a project.

.As we have a certain level of knowledge in real estate development, we should be able to understand the entire scope of a project - from specific market knowledge to finding and acquiring land, as well as obtaining project funding. We compile a case study, architectural skillset, which means their deep understanding of the market, people, behaviour, as well as well-planned and creative projects that add imaginative, innovative, and creative value to the urban environment. Finally, we enlist the assistance of our marketing team to sell or lease these units..
